REMARKS

**RETURN TO CIA LIBRARY**SOURCE 2 September 1949

1. Fifty twin-engine bombers, two twin-engine transports and twenty biplanes were parked on the northern and southern edges of the PINOW (N 53/V 08) airfield.

2. Billeting equipment was trucked from the cantonment on the southern edge of PINOW to the airfield. One of the trucks

3. Relief of the Soviet Air Force garrison of PINOW had been under way for several days. Various streets and billets had been evacuated by the Soviets. Furniture and sections of army huts were being loaded on eight railroad cars at the PINOW station. The figures "91 655" were chalked on the cars. Trucks had hauled the freight to the railroad station.

Comment:

Report confirms the previously reported transfer of the PINOW bomber units + and the arrival of a fighter unit from B.A.M. B.O.G. The fighter unit apparently arrived in PINOW between 6 and 12 September 1949.
